SORE OVER THE MATTER. Sectish Sectory Says It Dosen't Think Its Dig Neighbor Courteoux The Scuttles society and the Trades
Assembly are at bourteand. The
Trades Assembly anys the Scottlesh
society would injure it and add insult
thereto. The Scottlesh society cislms
the Trades Assembly has treated it
with areast discourtery on a mirre presounding.

set Friday the Trades Assembly hald a mesting to pits a finish much on its splendid program of arrangements for today. Labor Day A hall termi-mates the festivities, all under the am-plies of the great labor order. The meeting in question did not close be-fore efferior and adopting a stringent resultrium warning all short people to keep away from the Scuttah society emeritainment tonight at Grunawaid's saveilles. The resolution is no asymp-

ing and stringent that it is both in spirit and in latter a beyont on the Scottish ball. It says that all labor people should keep away from the latter because the society has been unfair in selecting the evening of the Labor Holiday for its ball. As an additional Indusement to keep away the resolution accurate the Scutish society for hiring a 'wealt' band to furnish the mixel. This it calls adding 'insult to indury."

for hiring a "weak" band to turnish the music. This is calls adding "insult to injury."

The Soutish seekety is hurt over the metter. They say that their risends have branded them elected without the first of the control trying to find out their motive. They have algued their end convicted in a breath," said Secretary Allen of the Coulting south yeakerday, "before giving us even a chance to plead not guilty. Since a thince to wonder will be so great here that he guilt in have any additional mervinent possible on this would be a problem. We thought to have the inducionant of that the crowd will be so great here that he entertain them would be a problem. We thought to have the inducionant of the Assembly instead of this scatting desurcations. It is making the marked the second organization which has always held it in cardial statem and whose held it in cardial statem and whose held in the cardial statem. As a succession of the cardial statem and whose held in the cardial statem and whose held in the cardial statem. As a statement to the cardial statement of the cardial statement. We
